

Joining the eduSTAR Network

Please follow these steps

1. Go to Wi-Fi dropdown in the top menu bar, and select the eduSTAR network
2. In the username field enter your @schools email address
3. In the password field enter your assigned password and click ok.

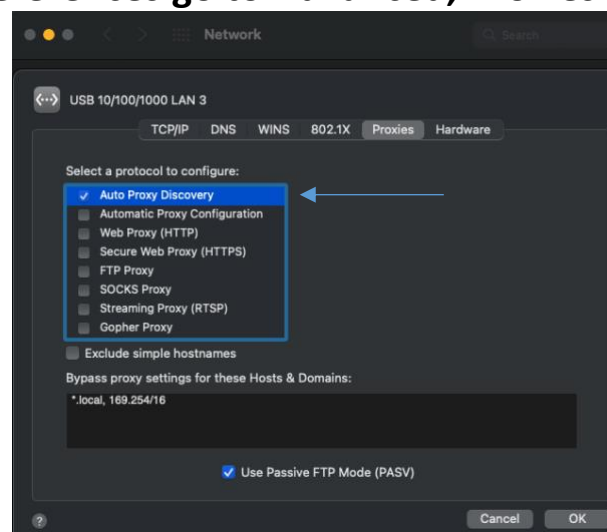

4. Click continue on the next pop-up window and use your computer password or touch ID to authenticate.

5. Once you are joined to the network click on the Wi-Fi dropdown in the top menu bar and select Network Preferences.

6. Once you are in Network Preferences go to Advanced, Proxies and tick Auto Proxy Discovery

You should now be able to connect to the internet.
