

Set up @schools email on iPad.

1. Tap Settings > Mail > Add Account > Microsoft Exchange.

2. Enter your @schools email address, then tap Next. You can also enter an account description.

3. After you've entered your email address, Tap Sign In

This will bring you to an edupass login screen and you will need to enter your @schools password.

4. You can choose to sync Mail, Contacts, Calendars, Reminders and Notes. When you've finished, tap Save.
