

# Joining the eduSTAR Network

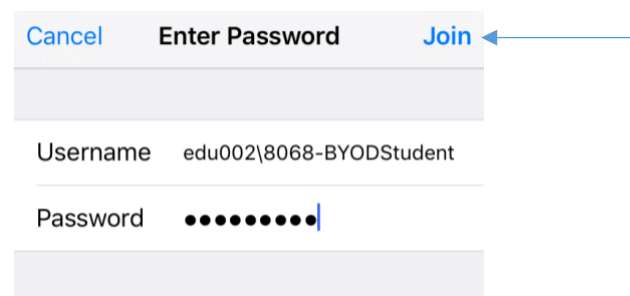

Please follow these steps

1. Goto settings, wifi, and select the eduSTAR network

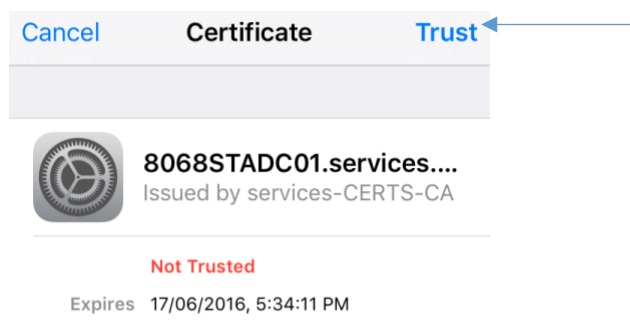

2. In the username field enter your @schools email address: (steh2@schools.vic.edu.au)

3. In the password field enter your assigned password

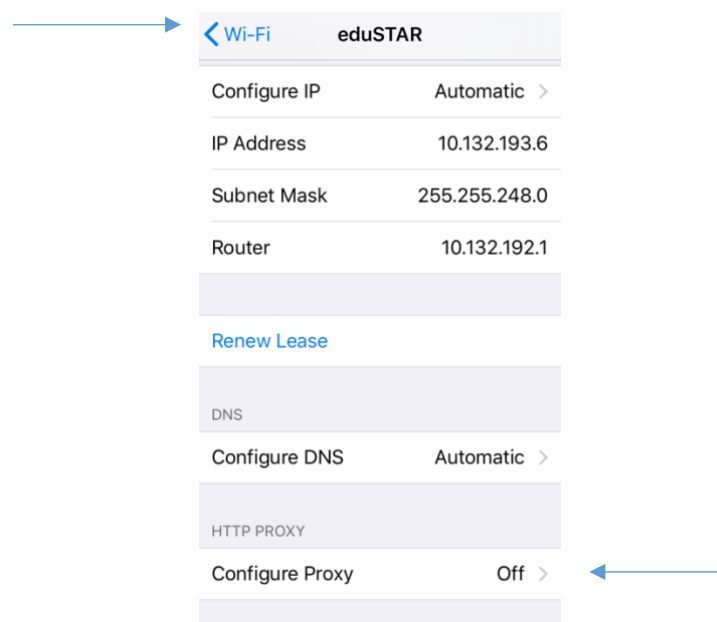

4. Tap the Trust in the top right corner

5. Once joined to the network click on the **i symbol** on the right hand side of the eduSTAR network

6. Scroll right to the bottom and tap **Configure Proxy and select Automatic**. Tap **Save** then press the **back button** on the top left hand corner.

You should now be able to connect to the internet.
