## STUDENT WELLBEING AND ENGAGEMENT POLICY

The school is set in an attractive park-like environment. For the past two years, the school has been undergoing a major rebuild of substantial parts of the buildings and grounds; including new Art and Drama rooms, remodelled Woodwork and Metalwork rooms with state of the art machinery, facilities for our Program for Students with a Disability (PSD) program, a purpose-built Science wing and multi-purpose classroom complexes. The rebuild is due for completion by the end of term one 2019. Our amenities include a 400-seat auditorium, a modern twin court basketball stadium/sports complex, a Year 12 Study Centre, a well-resourced Library, high-quality Food Technology centre and extensive, networked ICT facilities throughout the College. We also have a hall/gymnasium and share neighbouring sports ovals and an athletics track with the local community.

In conjunction with the Etham Wildcats Basketball Club, we were recently granted \$16 million to build a major new Sporting Complex, expanding the current stadium into a five court complex with substantial public seating, change rooms and meeting facilities.

The school opened in 1969 and student enrolments grew in time to stabilize at around 900 for several decades. After a decline in the early 2000s, the College underwent a focused transformation and has now grown to 1079. In 2015, at the beginning of this Strategic Plan, we had 730.3 students enrolled. This has steadily grown to 1010 in 2018 and 1079 this year. An enrolment cap and designated boundary was introduced in 2018, to take effect from 2019.
