

MONTMORENCY SECONDARY COLLEGE

26th November, 2021

Dear Parent/Guardian,

Montmorency Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the College's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our College can offer the best possible education and support for our students.

Parent contributions ensure that provision for fundamental student support and wellbeing programs, classroom technology and the maintenance and upgrade of our College buildings and grounds, is available for the benefit of all students to enhance their learning, aspirations and wellbeing.

Within our College, this support has allowed us to provide a wider offering of subjects and special curriculum experiences, enhanced digital learning opportunities and faster internet.

More specifically, in 2021, this revenue has allowed us to provide additional eLearning resources to assist student learning during COVID-19 lockdowns and has enabled the College to invest in a new data platform, *Edapt*. This platform brings together our students' academic, engagement, wellbeing, and student voice data, providing an holistic view of our students' achievements and needs and allowing opportunities for early intervention by our teaching staff if required.

We have fully refurbished our complex of 11 portable classrooms, including the conversion to LED lighting, replacing ageing evaporative cooling with refrigerated air conditioners, and fully painting the complex. LED lighting has also been installed in the Resource Centre, Study Centre, Canteen and student toilets.

The Montmorency Secondary College School Council and College Finance Committee work closely with the Principal Team and Business Manager to ensure that parental contributions are kept to a minimum and affordable to families. The Council and Committee closely monitor all revenue received, and ensure it is managed appropriately and used for the purposes for which it is raised, to improve student outcomes and wellbeing.

We want to thank you for all your support, whether that is through fundraising or voluntary contributions. This has made a vast difference to our College and the programs we are able to offer and we look forward to your ongoing support.

Yours sincerely,

Fran Ibbott
