

MONTMORENCY
SECONDARY COLLEGE

1ST November 2022

Dear Parent/Guardian,

Montmorency Secondary College is looking forward to another great year of teaching and learning and would like to advise you of the College's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

Montmorency Secondary College's School Council and Finance Committee work closely with the Principal Team and Business Manager to ensure that parental contributions are kept to a minimum and are affordable to families. The School Council and Finance Committee closely monitor all revenue received, and ensure it is managed appropriately and used for the purposes for which it is raised, to improve student outcomes and wellbeing.

We want to thank you in advance for all your support. This will make a huge difference to our College and the programs we can offer.

Attached to this letter, please find the 2023 Year 12 voluntary financial contributions for your information.

For further information on the Department's Parent Payments Policy, please see the one-page overview which is also attached.

Yours Sincerely,

Frances Ibbott
Principal

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
